1. GOALS AND EXPECTATIONS

As a program we will strive to grow as musicians and citizens of our community. To do this we will discuss tone, technique, rhythmic accuracy, key and time signatures, musicality and critical listening, as well as context and history of the pieces we are studying. All of these combined will help the members of the band to move toward the ultimate goal of independent musicianship. To achieve this, the following guidelines are expected to be followed each class period:

- 1) *Be on time* for all classes, rehearsals, and performances! Class begins when the director steps up to the front stand.
- 2) *Be prepared* with working instrument, reeds, music, pencil and a ready mind!
- 3) *No gum, food, or drink* allowed in the band room.
- 4) *Play your instrument only when instructed to do so.*
- 5) *No talking when the director is speaking. Show the same courtesy to guests and peers who are addressing the ensemble.*
- 6) *NEVER HANDLE ANOTHER PERSON'S INSTRUMENT. ONLY PERCUSSIONISTS ARE ALLOWED TO HANDLE THE PERCUSSION EQUIPMENT.* Instruments are delicate, expensive, and often not owned, but rented.

2. GRADED ITEMS AND POLICIES

Anthony Wayne Junior High Grading Scale

A=100-92% B=91-82% C=81-72% D= 71-62% F= below 61%

Daily Participation

Students get points for the following: a working instrument, music and pencil, attentive behavior. Students will lose points for disrupting class or coming without the above items.

Performance Attendance

An unexcused absence from a performance may result in the lowering of the grade. Inappropriate behavior and improper dress may also result in the loss of points or a lowered grade.

Playing Tests

This is the best way to gage progress. Playing tests will be administered several times throughout the year. Students will know in advance what they will be graded on. A portion of the spring grade will be factored by the amount of improvement the student has made based on the given rubric which will be distributed in class.

Written assignments

Students will also be required to complete written music theory assignments (note reading, counting etc.)

Extra credit

Attendance of pre-approved concerts and performances and a written report critiquing the experience, performers, conducting, and music played can be handed in for extra credit. The

directors will inform you of upcoming events and incentives for attendance. This will be given to students at the director's discretion.

3. PERFORMANCES

Purpose of performances:

- They act as a benchmark of our progress allowing us to set new goals.
- They provide entertainment to the audience.
- They expand the musical knowledge of both *performer* and *audience*.
- They teach everyone involved proper concert etiquette.
- A successful performance = A great team effort

For these reasons performance attendance and reflections will be a heavy portion of your band grade. If missed without a valid or prior approved excuse, these grades cannot be made up.

Excused absences include the following: sickness or injury, death, family weddings, and other reasons excused by the director. Non-school sponsored sporting events or activities will not be excused.

***Students are expected to stay through the entire performance to their show support for other performing ensembles at Anthony Wayne.

SCHEDULE OF PERFORMANCES:

<i>Date</i>	<i>Event</i>	<i>Report Time</i>	<i>Place</i>
October 18 th	Junior High Football Night (Lock-in)	7:00pm	H.S.
November	Veteran's Assembly (During School)	TBA	J.H.
December 16 th	Holiday Concert	6:30pm	H.S.
February 25 th	Junior High Concert	6:30pm	H.S.
May 9 th	JH Large Group Contest	TBA	Owens
May 17 th	Chicken BBQ	3:00-7:00pm	H.S.

4. REQUIRED EQUIPMENT

A properly working instrument is crucial to the success of a musician. Just like a race car driver couldn't win a race driving an old beat up car, no matter how good of a driver they are or how much they practice, a musician without working equipment cannot make reasonable improvements.

Woodwind Players:

4 good reeds (excluding flutes)
Cork Grease
Cleaning Swab
Pencil

Brass Players:

Valve oil or trombone slide cream
Tuning slide grease
Pencil

Percussion Players:

Sticks
Pencil

Failure to bring proper equipment to class daily will affect the student's band grade.

School Owned Instruments

The Anthony Wayne Instrumental Music Department supplies necessary school owned instruments for a rental fee of \$25.00 per school year. Normal maintenance and repair will be free of charge; however, the student will be responsible for unusual damage. The student and his/her parents will sign a rental agreement form.

5. PRACTICE

All band students are required to practice regularly as part of their band grade. Students will be encouraged to take their instruments home. We understand that every student cannot practice every day due to homework, family, personal commitments and other important situations. However, practice should take place at least 3 times each week for a 30 minute minimum. Students will be given a packet they should play through every time they practice along with any band repertoire or playing test material they have been assigned.

Practice Tips

- *Choose a quiet place to practice.*
- *Warm up properly.*
- *Take short breaks while practicing.*
- *Practice music you **can't** play **to learn**.*
- *Practice music you **can** play for **your enjoyment**.*
- *Play for your family and friends.*
- *Practice your music in small sections – not all at once.*
- *Listen to recordings of others as well as yourself.*

6. UNIFORMS

For all performances, unless otherwise noted, we will be wearing a royal blue polo shirt (available through the Band Boosters for \$20) khaki pants and nice dress shoes. No jeans, shorts or other undesignated clothing will be permitted and will result in a lowering of the student's grade or possible removal from the performance.

7. INDIVIDUAL OPPORTUNITIES

Activities offered for individual band members to distinguish themselves and improve their musical skills this year:

Private Instruction

Private lessons are one of the keys to an outstanding band program. These lessons are available to all band students interested in improving their playing through one-on-one instruction with a teacher on that instrument. As students improve individually, their contribution to the band increases, and the band as a whole improves. Fees begin at \$16.00 per half hour and may vary depending on the qualifications of the teacher. If you are interested in starting your son or daughter in the program, please return the "Private Lesson Sign-Up" form on the last page of this handbook to Mrs. Kovach *as soon as possible*. She will contact you regarding the day and time of the lesson.

Junior High Jazz Band

This group is open to all band students at the junior high, any instrument! The meeting time will be announced before rehearsals will start for the 2013/2014 school year. Rehearsals usually begin sometime in October. The jazz band will perform at the holiday concert, winter concert and chicken barbecue this year.

Solo and Ensemble Contest

This is also highly encouraged. This event gives students the opportunity to receive constructive comments and performance experience. Students can prepare solos or small ensemble works with friends. Those who participate will receive special recognition and incentives.

8. DIRECTOR CONTACT INFORMATION

Any questions or concerns relating to the band program or anything in this handbook should be addressed to the band directors. They can be reached by phone during school hours. If you get voice mail please leave a name and number and your call will be returned as soon as possible. **Email is also an excellent way of getting in touch. Please provide it on the next page as we will be sending out regular newsletters about upcoming performances and other reminders.**
