

Anthony Wayne Band  
Chaperone Application

One application should be filled out for each parent who is applying to be a chaperone.

Criteria and process for selecting chaperones

- Chaperones will be selected by the Band Director and the AWHHS Principal.
- Chaperones will be a parent of a student who is traveling with the band or have a staff affiliation with Anthony Wayne High School and be at least 21 years of age.
- Chaperones will be chosen based on the amount of service given to the organization.
- It is preferred that chaperones do not bring their family members other than chaperoning spouses. If a chaperone brings another family member, only one of the two spouses will be selected to chaperone.
- Chaperones operate under the guidance and authority of the AWHHS Administration, Music Staff, and the Rules and Regulations of Anthony Wayne High School.
- Chaperones are expected to enforce the appropriate elements of the AWHHS and AW Band Handbooks.
- Chaperones are to set a proper example for students at all times by exhibiting model behavior. Be on time and at designated checkpoints set by the band director.
- Parents who are selected as chaperones will need to complete a background check at the AW Administration office.
- The purpose of chaperoning is not to spend quality time with only your child. A chaperone is on duty 24 hours a day with the responsibility of the entire group at all times. You may need to stay up with a sick child or miss an activity to tend to chaperoning duties.
