

# 2014 Fruit Sale Pick Up Reminder

## Anthony Wayne Bands

**Friday, Dec. 12<sup>th</sup>**, the band fruit arrives at around 3:00 PM at the High School Cafeteria. Senior high band members are welcome, along with band parents, to unload the truck at 3:30 PM. With lots of help, it will only take a short time.

**Saturday, Dec. 13<sup>th</sup>**, is the PICK UP and Delivery day for fruit. Fruit, flowers and frozen food are perishable and must be picked up between 9:00 AM and 12:00 noon at the High School Cafeteria (See map below). You will be called if you have not picked up your fruit by 11:30 AM, as we need all orders gone soon after. If you can't pick up your order, **please** have a friend in band get it for you or make arrangements ahead of time with Penney Raabe at 419-878-5039.

All members are responsible for their fruit and have to check it for bad fruit, the correct number of boxes, and the correct kinds of fruit, flowers, and frozen foods. Please take extra time to make sure your order is right before you leave the school to help us avoid mistakes. **Any mistakes in orders must be called in to Penney Raabe by Sunday, December 14.** All of our extra fruit boxes will be sold on a first-come, first-serve basis, after this time period, so your order needs to be checked for quality as soon as possible.

Please call Penney (419-878-5039) or Kerri Murphy (419-327-0257) if you have any questions or would like to volunteer to help for either day.
